From

To

General and Revenue Departments,

Sir,

I have the honour to state that a grant of Rs 52 a month was sanctioned for the Students' Home at Shimoga by Government Order No 1612-13 dated the 29th July 1898 tentatively for one year from 1st August 1898 The Home was opened on the 2nd September 1898 in a rented building and started with 12 boarders The number of boarders is 21 at present The Home is availed of by the students of the Shimoga College and of the Government Normal School The boarders are all Brahmins - The only Vaisya student who had been admitted to the Home left it There were applications for admission from

Original No 42 of the bdle

Ed 742-96

2 two Lingayat Students but the Committee was obliged to refuse admission for want of accommodation and funds to maintain a separate establishment for boarding them, the building now occupied by the Home being barely sufficient for 13 students. Besides the
3 students of the College and the Normal school, the Candidates for the University and Local Examinations avail themselves of the Home for short periods every year. The Home has become a popular institution under the management of the Committee of which the Head Master of the College is the President. Under these circumstances I request that Government may be pleased to confirm the grant which has been sanctioned for one year The Home will become useful to a larger number of students than at present, if arrangements are made for boarding and lodging students of other communities also and the Committee to prepared to take students of other classes also, if sufficient accommodation and an additional grant be given I shall however address Government on this point in a separate communication.

I have the honour to be,
Sir

From

To

SIR,

I have the honour to inform you that the Students Home at Shimoga receives a monthly grant of Rs 52 The average number of boarders is 20 and this number will be kept up in future The grant is spent as detailed below

House Rent	Rs 20
2 Cooks	Rs 22
1 Servant	Rs 6
1 do	Rs 3
1 Scavanger	Re 1
	Rs 52

2 The Gymnastic Instructor of the College has been doing the work of the Manager of the Home since September 1898 when it was opened, without any remuneration The Manager has heavy work to do

by way of making purchases for the Home, keeping accounts and booking to various other matters connected with the Home and the Committee recommend that he may be paid Rs 10 a month as allowance

I request that Government may be pleased to increase the grant from Rs 52 to Rs 62 with effect from 1st July next The increase proposed, cannot be met from any other source, as the fees paid by the Students just cover only the charges of feeding them The principle observed in maintaining the Students Homes is that the cost of establishment and accommodation should be met from the grant and the feeding charges proper borne by the boarders themselves As the proposed increase of Expenditure is of the former description, I request that it may be sanctioned as an additional grant
